Annual Gender Sensitization Plan 2022-23

- 1) The IQAC organizes seminar and other in-house sessions on the issues of gender discrimination in order to sensitize both male and female students of the evils of gender inequality in our society.
- 2) The teachers working as mentors have been advised to give special importance to female mentees and to address their woman-specific issues.
- 3) The Integrated Personality Development Programme, supervised by Sri Gopendra Narayan Chattopadhyay (an alumnus, social activist as well as current member of IQAC), takes special initiatives to hold counselling sessions to instill self-confidence and self-reliance among female students.
- 4) The sexual harassment redressal cell keeps strict vigilance on addressing the women-specific issues (if any) and maintaining a healthy environment in classrooms, staff rooms and office.
