### REPORT OF EXCURSION:

**Period of Excursion:** 18/01/2023

**Place(s) visited:** Mansha Rabdi Bhandar (Akui Hooghly)

**Total number of students participated:** 14; SEM-V (DSE-1)

**Total number of Teachers participated:** 02

Ms. Rimpa Kar

Dr. Ruma Dutta

**Objectives:** Through this rural visit students comparatively study about the method of rabdi preparation and other milk based products along with the ideas of packaging and preservation. They also know about their nutritive value, which will help them to go through this practical experience to higher studies and to establish a small entrepreneur.

**Methodology:** The students visit the Mansha Rabdi Bhandar (Akui Hooghly), to study the methods of preparation, packaging and preservation processes of rabdi, and about their marketising.

**Funding Agency:** Contingency allotted to the Department of Nutrition of Bejoy Narayan Mahavidyalaya.

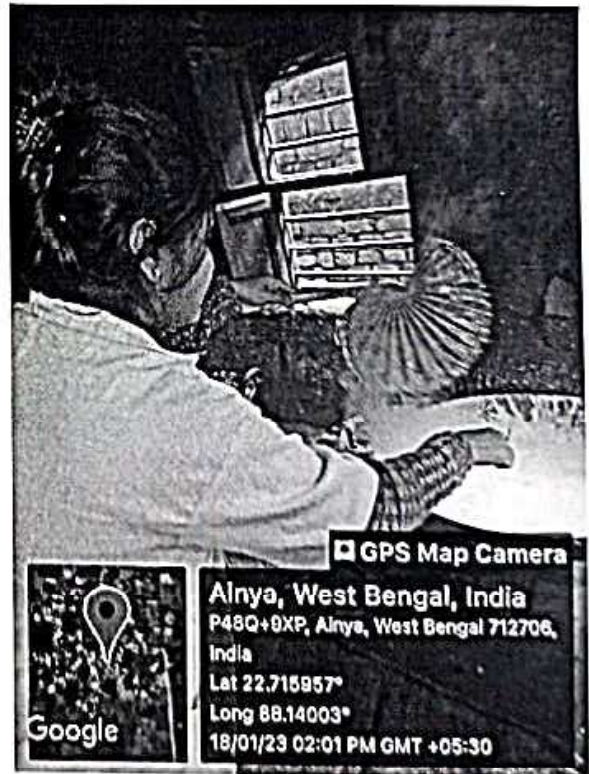

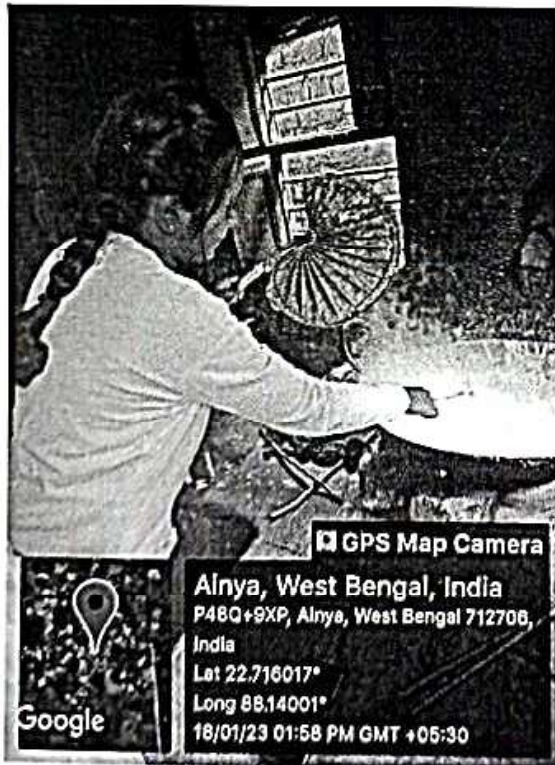

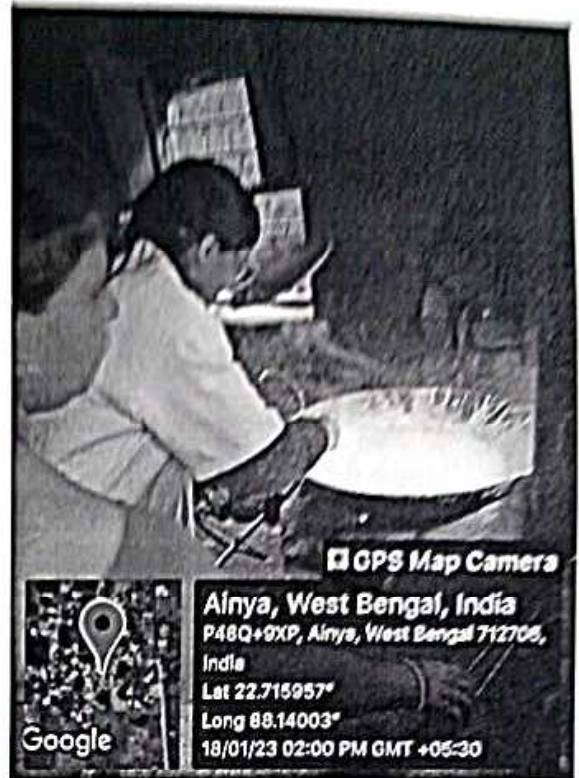

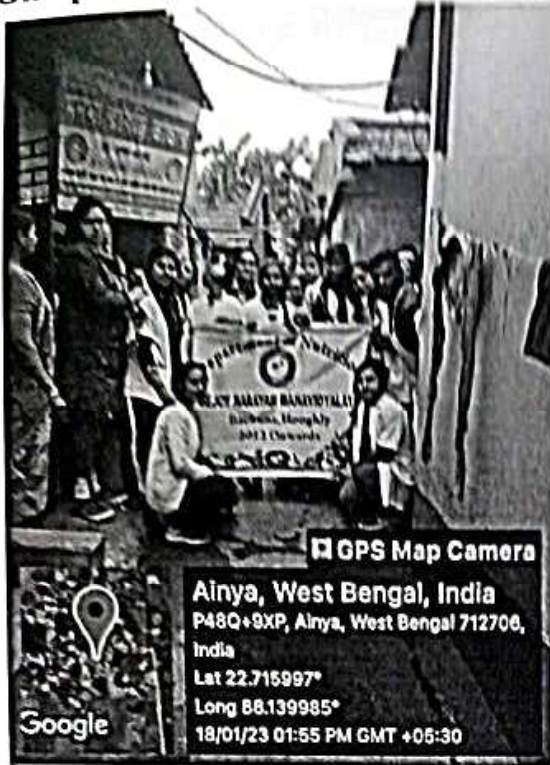

**Outcome:** The students felt interested in such activities for their higher studies which will also open a new carrier path. They got lots of information about the process of making, packaging and preservation along with sanitation and hygiene. They also get an overall idea about the marketising process.
