

Awareness programme cum Workshop on Status Survey of Fishing Cat - The State Animal of West Bengal

Total Participants = 47

Speakers: Members of Research group of Dr. Goutam Saha

Director, Institute of Agricultural Science, University of Calcutta

Date: 15.09.2018

Scientists and Scholars present in the programme discussed the traits and nature of the fishing cat (baghrol), which is the state animal of West Bengal. Ruing the fact that the lack of awareness among people often leads people to harm/kill them, the speakers emphasized the ecological importance of fishing cats.
