

## Celebration of National Mathematics Day and Invited lecture on The Mathematical works of Sir Ashutosh Mukherjee (organized by Dept. of Mathematics)

Total Participants = 65

**Speaker: Dr. Suven Mitra (Dept of Mathematics, Sree Gopal Banerjee College)**

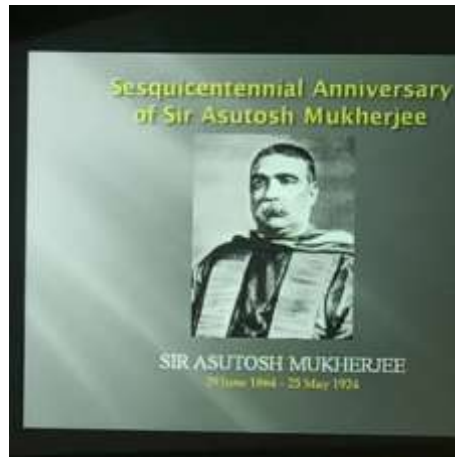

**Date: 22.12.2018**

In honour of the famous mathematician Srinivasa Ramajunan, 22<sup>nd</sup> December is celebrated as the National Mathematics Day in India. On 22.12.2018, the Department of Mathematics, Bejoy Narayan Mahavidyalaya celebrated the said occasion by arranging an invited lecture and a student seminar. The chief speaker for the programme was **Dr. Subhen Mitra, Associate Professor and Head of the Department of Mathematics, Sri Gopal Banerjee College, West Bengal.**

The programme started with the introductory address by the HoD (Dept. of Mathematics, Bejoy Narayan Mahavidyalaya) Sri Dwijendra Nath Bar. Dr. Rajesh Mondal and other teachers of the department also spoke briefly about the significance of the occasion. Then, Dr. Subhen Mitra delivered an informative lecture on the mathematical works of Sri Asutosh Mukherjee, the eminent educationist of Bengal. After this lecture, Subhendu Pramanick, a student of the department discussed the many events of Srinivasa Ramajunan's life. Finally, there were seminar presentations by the students on Real Analysis and other mathematical topics. **65** persons (including students) attended the programme.
