

Workshop on "Perceptions of Wildlife Conservation of Today's Youth in West Bengal, India, with a focus on Monitor Lizards" organized by the Dept. of Zoology

Total Participants = 94

Resource Person: Research Scholars, EAES, Bareilly, India

Date: 29.07.2019 - 02.08.2019

The poster features a background image of a large monitor lizard in a grassy field. In the top left corner, there is a logo for the IUCN SSC Monitor Lizard Specialist Group, which includes a small illustration of a lizard. In the top right corner, there is the logo for EAES (Environment, Agriculture and Education Society), which consists of the word 'eaes' in a stylized green font with a leaf-like graphic above it. The main title of the workshop is written in large, bold, red letters in the center. Below the title, the dates are given in black text. A yellow banner contains the venue and start date information. At the bottom, the organizing institutions are listed in blue text.
