Subject: Support letter to perform experiment in my laboratory

Dear Dr. Layek,

I am extremely pleased to learn from you that you are submitting a proposal for a project to UGC entitled "Hydrothermal synthesis of inorganic semiconductor nanocomposite and their application in perovskite based electronic device for better performance".

I would be glad to render you my support and provide my experimental facility for your project work.

I would be pleased to assist you in any possible way for the success of the project.

Thanking you,

Sincerely yours,

Partha Pratim Ray
