Annual Gender Sensitization Plan 2021-22

- 1) The IQAC organizes seminar and other sessions on the issues of gender discrimination in order to sensitize both male and female students of the evils of gender inequality in our society. This year, an invited lecture on 'Gender Inequality in India' has been held on 24.02.2022, the speaker for this occasion was the eminent academician Jaya Mitra, who talked on 'Relevance of POSCO for Girl Child in Today's India'.
- 2) The teachers working as mentors have been advised to give special importance to female mentees and to address their woman-specific issues.
- 3) The Integrated Personality Development Programme, supervised by Sri Gopendra Narayan Chattopadhyay (an alumnus, social activist as well as current member of IQAC), takes special initiatives to hold counselling sessions to instill self-confidence and self-reliance among female students.
- 4) The sexual harassment redressal cell keeps strict vigilance on addressing the women-specific issues (if any) and maintaining a healthy environment in classrooms, staff rooms and office.
