Am proud to say that the NCC career in my life was a dream, is now a way of learning every inch, & will be a big achievement ever after. With my U.G. admission to B. N. College in 2018, the NCC came to me in the magical form of Allauddin Lamp. Under the strictest procedure of NCC enrolment, I became a committed cadet of NCC. Besides my main course of studies in B.A., regular training in institution and in camp made me a seasoned cadet in no time. For a participant in cycle rally, I am thankful to my institute and to my 43 Bengal Battalion. Our coverage of rally was about ten kilometers from our college. The rally provided me a unique experience in sort of fitness, dynamic spirit and propaganda in NCC Motto "Unity & Discipline".

Thanks to all.
