FIELD REPORT:

DATE OF VISIT: 06/04/2022

Place(s) visited: ICDS center no- 36, Khannyan, Chowmathamore, Pandit para

Total number of students participated: 16; SEM-II (CC-4)

Total number of Teachers participated: 01

Ms. Rimpa Kar

Objectives: In this visit, students learn to plot data in growth chart and also interpret the chart using the guideline given by ICMR and WHO. They also get a chance to evaluate the clinical status of the ICDS beneficiaries which helped them to assess the nutritional status of the people.

Methodology: The students visit the ICDS center of Khannyan, Chowmathamore, Pandit para, where they measure height and weight of the children, for plotting the growth chart.

Funding Agency: Contingency allotted to the Dept of Nutrition of Bejoy Narayan Mahavidyalaya

Outcome: The students were enthusiastic to visit small children of the ICDS center. They learn to evaluate the growth status of the children. They also gave some initial ideas to the parents about the nutritional status and how that affects their children in growth. They also learn to assess clinical signs and symptoms of various nutrient deficiencies. In this visit they go through these practical experiences which help them to understand better the book chapters.
