Department of Nutrition

REPORT OF EXCURSION:

Period of Excursion: 24/03/2022 – 27/03/2022

Place(s) visited: Makaibari Tea Estate Factory, Kurseong

Total number of students participated: 08; SEM-VI (DSE-4)

Total number of Teachers participated: 02

Dr. Shalmoli Chakraborty

Ms. Rimpa Kar

Objectives: with this excursion, students comparatively study about the different methods of food manufacturing and processing along with the idea of packaging and preservation. Food plant sanitation and hygiene was also focused, which will help them to go through this practical experience to higher studies.

Methodology: The students visit the Makaibari Tea Estate Factory, Kurseong, to study the collection, processing, packaging and preservation processes of tea leaves.

Funding Agency: Grant permitted by Bejoy Narayan Mahavidyalaya

Outcome: The students felt interested in such activities for their higher studies which will also open a new carrier path. They got lots of information about the technology of food processing and preservation along with industrial sanitation and hygiene. They also get an overall idea about the working environment of food industries.

Glimpse of the tour:
