Report on "Spreading COVID awareness and student-meet with 1st sem. SC-ST-OBC-Minority" students on 2nd week of December, 2020".

With the collaboration of NCC, NSS and Health-Hygiene committee it was possible to spread COVID awareness among SC-ST-OBC-Minority students throughout a week. We repeatedly suggested to maintain social-distance and wear masks until the situation becomes normal. We gave importance of submission of documents through online for different scholarships in this COVID pandemic situation. We convinced them that they can do the job using their own mobile internet. Those were not comfortable with mobile application, a demonstration was provided for them. They also came to know the necessity of using internet for online studies or online application for scholarships from home in this COVID pandemic situation. They were also requested to contact with the Career Counselling committee and participate in various activities in our college once the COVID pandemic situation becomes normal.
