Report on "Orientation Programme for SC-ST-OBC-Minority students held on 23.09.2017"

Date 26.09.2017

55 students including SC, ST, OBC and minority category, attended the programme. Most of the students were unaware of newly launched CBCS systems. We tried to put a brief outline on the CBCS system within a short time interval and advised them to contact the corresponding department for further queries. We came to know that very few of them were aware of different student's welfare schemes. First, we discussed about different scholarship schemes including central govt., like NSP or state govt. scholarships for the SC/ST/OBC students.

Since, most of them were unaware of online application for these scholarships; a general guideline was given to these students for this purpose. Further, it was decided that if any student face any problem during application, he could contact corresponding nodal teacher. These students were encouraged to attend/participate in student Career Counselling, different cultural programme and join as NCC or NSS active members, etc.
