Report on 'Orientation Programme for SC-ST-OBC-Minority students held on 23.09.2019'

58 students of SC, ST, OBC and minority category, attended the programme. First, we introduced different aspects of CBCS system, which were very new to them. Then we discussed about different student's welfare schemes. They were asked to fill online application of relevant scholarship schemes maintaining eligibility criteria. Since, most of them were unaware of online application a demonstration was given for this purpose. Further, it was decided that if any student face any problem during application, he could contact corresponding nodal teacher. These students were encouraged to attend/participate in student Career Counselling, different cultural programme and join as NCC or NSS active members, etc. The programme was ended within one hour.
