The Department of Sanskrit, Bejoy Narayan Mahavidyalaya conducted a "Two Week Online Workshop in Spoken Sanskrit" in collaboration with Samskrita Bharathi from 01.05.2022 to 16.05.2022. Virtual platform was chosen as a medium to conduct these classes during COVID-19 times. It was the best alternative to bring together a wide range of audience and enthusiasts from various streams. Bejoy Narayan Mahavidyalaya, under the auspice and constant encouragement of our Principal Dr Goutam Bit could conduct such a wonderful and informative Course. The Department of Sanskrit aimed at motivating the students in taking part in this language building course. It was exciting to find that more registrations were received than expected. The main aim of the Course was to encourage a positive attitude towards learning Sanskrit language among students, to gain self-confidence and clarity in speech, to improve their Sanskrit vocabulary, to identify the genders and construct basic sentences. Our resource person Dr. Krishnapriya Hati from Samskrita Bharathi has readily accepted to conduct this Course at a short notice. She had run the sessions in the most appealing way where the students as well as the lecturers had turned themselves into kids listening to her lectures, participating in the activities that she carried all throughout. These sessions have been motivating, thought provoking and inspiring as well.

The Certificate Course in Spoken Sanskrit was completed from 1st May to 16th May with the support of Bejoy Narayan Mahavidyalaya and Samskrit Bharati. 150 students applied for this course. But we allowed 75 people to take the course.

The classes were held in Online mode through the Google Meet Platform during the evening. The links were shared in the official whatsapp group for the course each day.

At the end of the course, all the students successfully passed the test and were awarded certificates and we distributed all certificates among the successful students, Dr. Hati, completed the course with the classes nicely, our class time was 36 hours and it was properly observed. And the certificates have been distributed to the students after judging the quality of the exam.

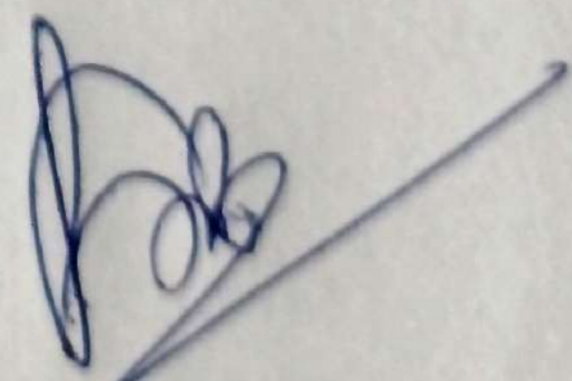

On the final day, Principal expressed his heartfelt gratitude to the resource person for shaping the students after finding a notable change wherein the students started uttering Sanskrit words, introducing themselves in simple Sanskrit, identifying the nouns, verbs, differentiating the genders etc. He narrated a wonderful short story which signified the importance of Sanskrit in ancient days and depicted "How Sanskrit was the language of all" irrespective of class, creed, caste or sect. In the Vote of Thanks address, he paid his sincere thanks and gave credits to the Principal, IQAC, others Faculty, Resource person and acknowledged the technical support of Santu Kumar Pan.
