### 2. Life Skills:

## 5. Sports and Physical Fitness:

- Playgrounds and Sports Facilities: BNMV boasts a large play area in the second campus, a small playground inside the main campus, and sufficient sports goods. These facilities encourage students to participate in sports activities and develop physical fitness.
- NCC (National Cadet Corps): The college has an ANO (Associate NCC Officer) overseeing the NCC unit, providing opportunities for students to develop discipline, leadership, and teamwork skills. So many of our NCC cadets are employed every year which keeps our NC corps ever green and there is competition to get entry here.

The initiatives undertaken by BNMV demonstrate a comprehensive approach towards nurturing students' soft skills, language and communication skills, life skills, physical fitness, health, hygiene, self-employment, and entrepreneurial skills. By offering diverse courses, organizing career-oriented events, and providing necessary facilities, the college aims to prepare students for successful and fulfilling lives beyond academia.
