# Three kinds of knowledge

Department of Philosophy

CC-14

SEM-6 (hons.)

Pranab Kirtunia

Assistant Professor

Department of Philosophy

Bejoy Narayan Mahavidyalaya

Itachuna, Hooghly-712147

# Three kinds of knowledge

- Acquaintance knowledge

I know Ram.

# Three kinds of knowledge

- Ability knowledge

I know how to ride bicycle.

# Three kinds of knowledge

- Propositional knowledge

I know that Planet Earth is moving around sun.

## *Necessary and sufficient conditions*

‘I know that p’:

The proposition ‘p’ is true;

## *Necessary and sufficient conditions*

‘I know that p’:

I believe that p;

## *Necessary and sufficient conditions*

‘I know that p’:

My belief that p is justified

(I have sufficient evidence for it).

# Necessary and sufficient conditions

- Each condition is *necessary* for knowledge.
- The three conditions together are *sufficient* for knowledge.
